YOU are invited!

Join us for a remarkable Public Discourse gathering that explores new ways to transform communities with a shared sense of spiritual connection that can move humanity toward a more loving world. Learn how to use the power of courageous compassion to overcome fear, division, and despair. Come learn, share, and improve our world!

On April 24th distinguished panelists former FDC prison *Warden Estela Derr*, *Michele Uemoto*, founder of *House of Blessing & Keona Reentry Center*, and *Rev. Dr. Medgar Reid* discussing **SECOND CHANCE MONTH**.

INCARCERATION AFFECTS EVERYONE! DID YOU KNOW?

Hawai'i's recidivism rate is over 50%, higher than 85% of the countries in the world.

367 per 100,000 people in Hawai'i are incarcerated.

Hawai'i has a high incarceration rate, locking up a larger percentage of its people than almost any other democratic country.

Hawai'i spends approximately \$72,270 per prisoner yearly, significantly higher than the national average.

Native Hawaiians make up 37% of the prison population, while only 21% of the general population.
